About Us

“Our passion for teaching Chinese separates us from our competitors” - Ms Nancy Hsiao, Principal, MeiYu Chinese

MeiYu Chinese Language Centre is the premier Mandarin Chinese Language Institute of India, situated in the capital city of Delhi. Founded by Ms Nancy Hsiao, who after teaching Mandarin Chinese to Expats, Corporates and Government officials, for more than 10 years in India, wanted to make quality Mandarin Chinese accessible to the common students. With a Native Chinese faculty and a Revolutionary teaching methodology, students learn the language in a brand new way for success in today's global economy.

Chinese being a relatively difficult language to learn, our aim is to make the classes a blend of efficient, enjoyable and relaxing activities which makes the study process a happy one. Our teaching staff who are specialists make this possible ! Over 1500+ students have been taught Mandarin Chinese by us since our inception. We are also a leading platform for Chinese culture training and a key provider of Mandarin professionals.

According to a recent survey conducted by us most of our students are referred to us by their friends and families who have previously studied at MeiYu.
